

School Improvement Plan

2023-2024 Overview

<u>Priority Number</u>	<u>Initiative Target</u>
1	To implement and embed assessment expectations for the Curriculum for Wales. To develop effective practice in identifying and supporting individual pupil progress enabling all learners to meet their full potential.
2	To improve the quality of RSE and RVE provision across whole school practice in line with Welsh Government expectations
3	To improve progression in literacy and raise standards by further developing practice, strategies and skills.
4	To improve provision, practice and strategies in Welsh in order to raise standards.
5	To develop the leadership skills, knowledge and effectiveness of all AoLE leads, by offering a broad range of professional learning opportunities.
6	To establish a more positive ethos and attitude to school attendance within the whole school community. To work with the LA "Miss school Miss out" project to raise the level of attendance.
