

## SIP 2016/17

### Initiative 1: To enhance pupil and staff digital competencies in line with the new digital framework

#### Actions:

- All class teachers and year 4 pupils to be audited for ICT skills, inline with the new digital framework (SIG working)
- SIG group school to reflect on strengths and areas for improvement in each school
- SLT to reflect on audit outcomes to plan INSET training required.
- ICT Scheme of Work to be reviewed regularly to ensure additional opportunities and resources are included.
- All subject leaders to amend SOW to include increased opportunities for digital competence.
- Year 3 Autumn Term curriculum to be adapted to incorporate Minecraft (follow up from Roald Dahl project-school to school working )
- Introduce Minecraft after school club for year 4 to 6 pupils.
- Incorporate digital competence skills into the Lead Creative School Project.
- Attend SIG training events
- Re audit staff and year 4 pupils in July 2017.
- 

#### Success Criteria:

- Curriculum, pupil and staff audits of ICT skills completed.
- Staff attain appropriate skill levels to enable effective delivery of the digital framework.
- Schemes of work contain appropriate reference to developing digital competencies.
- All pupils demonstrate improved skills levels in line with the digital competence criteria.
- Targeted KS2 pupils show measurable improvements in their internal assessments (via INCERTS).

**Initiative 2: To improve standards of extended writing across the curriculum**

- Actions:**
- Head teacher, SLT and Language subject leader to scrutinise NC and internal data for writing.
  - Hold staff INSET to share observations and extended writing to consider further opportunities for writing across the curriculum.
  - Class teachers to review extended writing skills within the existing English SOW and make amendments to further these opportunities.
  - Subject leaders to collate amended additions to ensure schemes of work are up to date.
  - Evaluate and refresh current writing initiatives such as *Big Writing* as found necessary.
  - Additional resources purchased (as required).
  - Teachers to implement extended writing opportunities in classroom practise.
  - Use 2015 language & maths skill ladders to assess what writing skills individual pupils have and determine what writing skills they need to develop.
  - SLT to conduct termly book scrutiny to assess and evaluate both the opportunities and standards of extended writing in pupils' books using

- Success Criteria:**
- Book scrutiny confirms improved standards in writing in English for most / all pupils
  - Book scrutiny confirms improved standards in writing in science and non-core subjects for most / all pupils
  - Most KS2 pupils show expected or better than expected improvement in their writing skills as measured by INCERTs tracking.
