

Dear Parents

Welsh Government have made more changes to education plans today and so the local authority letter regarding school opening plans is delayed. As a school we want our parents to have all the details about our plans as soon as possible. Our plans for Wednesday to Friday this week are as follows:-

Our school will open for pupils of keyworkers who have no other childcare options available to them. All other pupils will have work provided on line through Google Classroom and Purple Mash. More details will follow regarding this tomorrow.

The definition of keyworkers for this provision is

\*Blue light workers

\*Social care staff (including care workers)

\*Frontline childcare or education staff

School will open from 9am-3.20 each day and we aim to keep pupils in year group bubbles if possible. A limited breakfast club option will be available from 8.30am

If you think you are eligible for a place please contact school 01446 751480 or e mail [StAthanPS@valeofglamorgan.gov.uk](mailto:StAthanPS@valeofglamorgan.gov.uk) between 9am and 1pm tomorrow

We need your name and child's name, your job description and contact details. Also please note if you wish your child to be collected before 3.20pm.

Any further information will be shared with you on booking.

We appreciate this is a difficult situation for many of our families and thank you for your continued support. As soon as we know the arrangements for next week we will share them with you.

Many thanks

Mrs L Haynes
